

# NATIONAL EDUCATION FRAMEWORK

For the provision of Legal Services  
REF: CPC /DU/LEGAL/01

## FRAMEWORK AT A GLANCE

**This framework has been developed for the education sector to provide a comprehensive set of services to support organisations with all of their requirements in relation to Legal Services.**

The lot structure of this framework is designed to offer greater flexibility to framework users through a combination of geographical and specialism-led lots. There are 7 lots in total and 8 suppliers across the 7 lots, 4 of whom are able to provide a comprehensive suite of services through the National One-Stop-Shop lot.

### THE BENEFITS OF USING THE FRAMEWORK

- Full compliance with the UK Public Contracts Regulations (PCR 2015)
- Framework Help Desk support and resources available
- Flexible lot structure combining location and service provision
- A dedicated all-encompassing education focused lot
- Nationwide coverage
- Choice of procurement options – direct award and further competition
- Pre-agreed terms and conditions to protect framework users
